## Profile Info

Highly motivated undergraduate in Physical Science at the University of Jaffna, specializing in Physics, Pure Mathematics, and Applied Mathematics, with a supplementary focus in Information Technology. Equipped with strong Mathematical and problem-solving skills, and hands-on experience using tools such as R, SPSS, MATLAB, and Python for data analysis and scientific computing. Also proficient in HTML and CSS enabling the development of basic web applications. Known for a strong academic foundation, excellent logical thinking, and the ability to learn new technologies quickly. Currently seeking opportunities in where both scientific knowledge and technical skills can be applied effectively.
